Radii delimiter / Excess length storage

Product characteristics:

- enables structured and safe guidance of LWL or copper cables
- can be used in all apraNET cabinet systems
- quick mounting without any tools
- optionally screwable
- half shells stuck together by pairs
- user-defined expandable
- guiding radius R = 35 mm

Material: plastics UL 94 V0
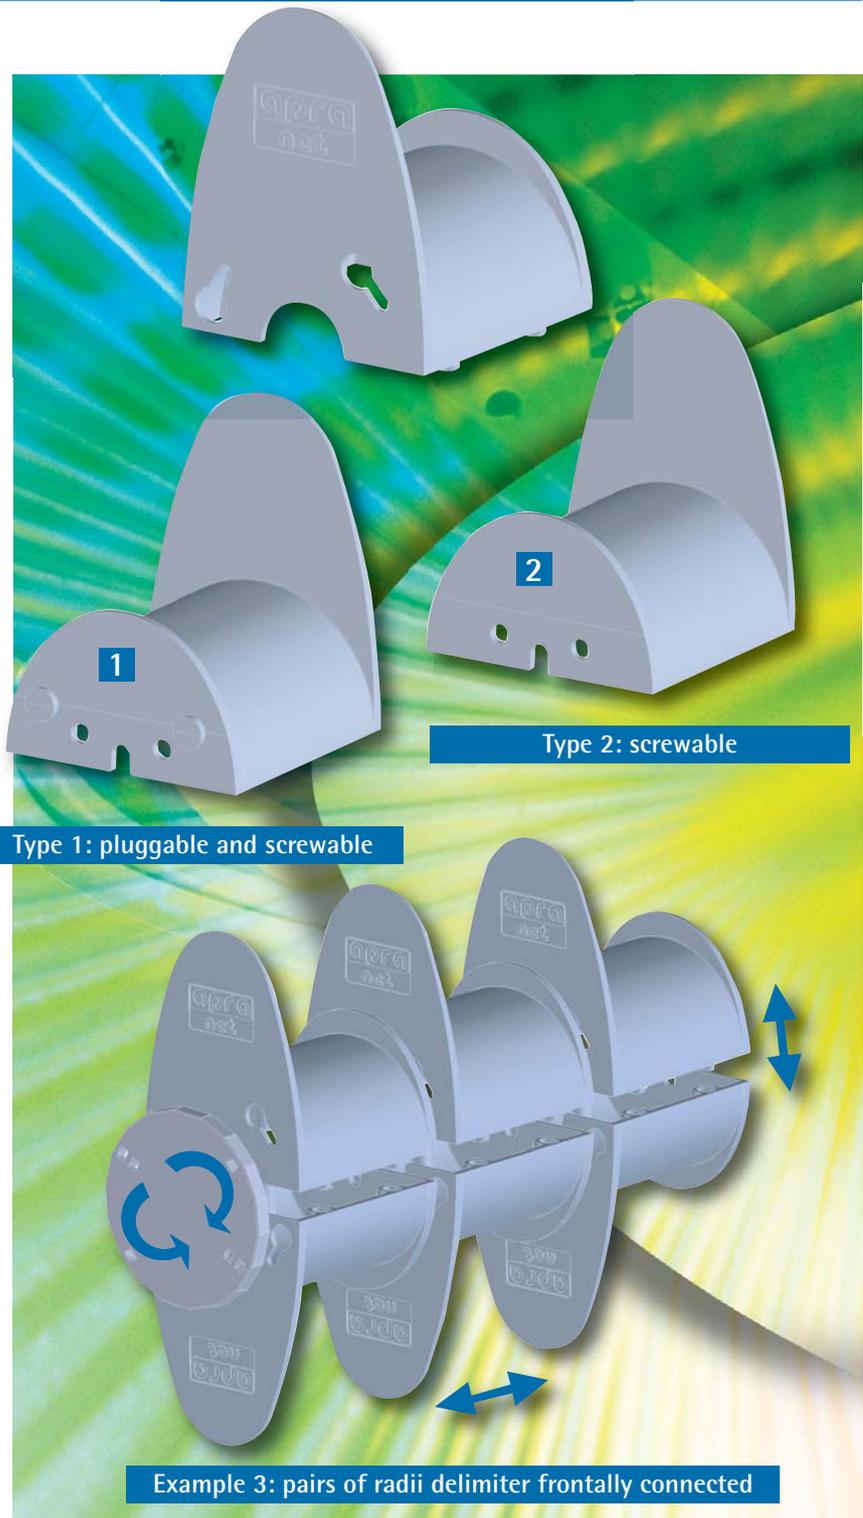

Surface: black

Delivery: set (10 pieces)

Stopper for radii delimiter:

- to lock stuck together radii delimiters vertically
- quick mounting without any tools

Material: plastics UL 94 V0

Surface: black

Delivery: set (10 pieces)

Type 2: screwable

Type 1: pluggable and screwable

Example 3: pairs of radii delimiter frontally connected

	Description	Type	Order no.
1	Radii delimiter – set	pluggable and screwable	640-030-55
2	Radii delimiter – set	screwable	640-030-65
3	Stopper – set	pluggable	640-030-52
